Wm. Lloyd Garrison:

Dear Sir,

Fearing  
that I may not be able to attend  
the Anti-Sla. Gathering on the  
Fourth, I send you my repre-  
sentative in the form of a  
hymn, to be read or sung or  
suppressed, at yr. discretion,  
on that occasion.

The fact that you have, from  
time to time, copied my utter-  
ances for Freedom into your  
Paper, emboldens me to  
offer you the enclosed, tho'  
unsolicited. It is the

product of scarcely more  
than an hour's labor yester-  
day, and hence, has not re-  
ceived the finish which,  
at an earlier date, I might  
have given it. Please  
accept it - and my dear  
est wishes for the cause  
of Freedom here and  
everywhere, now and  
forever.

Very Truly Yours,  
Caroline A. Mason.
